The new season has started. We still have a few office bearers positions to full. Below is a list of Office Bearers elected at our AGM on 10th August 2008. Those positions with an "*" have been filled after the AGM and endorsed at the first Management Meeting held on Tuesday 12th August. We have listed a brief description of the positions not already filled. If you think that you can do one or more of these positions, please phone Janice on 0410 628 610 or email her on Janice.wordley@quintiles.com. A Silver Medal in the Under 21 Mass Rescue, the team was Evan Saggus, Matthew Young, Hannah Reid and Dana Simonsen.

A huge THANK YOU to our sponsors, Collaroy Services Beach Club, Marine Stainless, Naturally Tiles, Pittwater Marine & Slipway Services, Saggus Accounting, Tool Zone, Narrabeen Community, Bunnings Belrose, North Narrabeen Members.

Thank you to Paul Szalay for organizing our BIG SCREEN **State of Origin** nights at the club along with the yummy pizza's and curry from Stephen See Hoe, chicken nibbles and vege bake from Graeme/Jenny Jephcote.

The first **Bledisloe Cup** was a busy night compared to the second cup night. However, for those of us that attended these nights we were happy with the bar nibbles of marinated ham on the bone on fresh buns from Ocean Bake House with mango salsa and home made sausage rolls.

FOXTEL, We now have Foxtel up and running again in the Jack King Bar. Come down to the club and watch Fox. Our bar is open on Friday's from 4:00pm, Saturday and Sunday from 3:00pm, family and friends welcome.

LCD TELEVISION, Foxtel can now be viewed on our new big television.

ACCESSIBLE RAMP, A huge thank you to Graeme Jephcote for his ongoing work toward this “NOT AN EASY TASK” and his band of merry workers (Nugget, Trotts, Saggo, Youngy who have been moving sand and Blackie for overseeing the whole thing) have been currently erecting the accessible ramp on the western side of the club.

CARETAKERS, Welcome to our new Caretakers Antony and Sabina Pritchett. Antony is an Engineer and Sabina is a Carpenter. They are currently refurbishing a ship at Darling Harbour for Mission Youth. This is their second ship, the first been built in Germany. Although Antony and Sabina have no SLS background they have are committed to our club. Please bear in mind that Antony and Sabina are not key bearers of the club. If you wish to enter a key locked area you will need to organize the opening of that area with the appropriate club personnel.
